Advanced Heart Failure Symposium

February 17, 2018, 7:00 a.m. - 1:30 p.m.

Baptist Memorial Hospital • Memphis, TN

The goal of this symposium is to enhance physicians' and other healthcare providers' knowledge in the evaluation and treatment of patients with advanced heart failure.

Topics include:

- MVR/MitraClip®/repair vs LVAD/transplant
- A fib VT ablation in heart failure
- New generation LVADs
- Updates from 2017 published heart failure management guidelines
- Changes and implications of proposed 2018 heart allocation policy

Guest speakers:

- Nirav Raval, MD
Advanced Heart Failure Cardiologist
Florida Hospital, Orlando, FL
- David Weber, MD
Professor Emeritus, Division of Cardiology
University of Tennessee Health Science Center
Memphis, TN
