

JENNIFER MORROW, M.D.
CURRICULUM VITAE

Personal Information

Birth Date: September 11, 1972, Memphis, Tennessee

Citizenship: USA

Education

1990-1994 B.A., Behavioral Biology/French
Johns Hopkins University
Baltimore, Maryland

8/1994-6/1998 M.D., University of Tennessee College of Medicine
Memphis, Tennessee

6/1998-6/2001 Internal Medicine Residency Training
University of Maryland Medical System
Baltimore, Maryland

7/2001-6/2004 Cardiology Fellowship
University of Maryland Medical System
Baltimore, Maryland

Training (upon completion of Fellowship)

Level II Nuclear Medicine
Level II Diagnostic Cardiac Catheterization
Level II Echocardiography (TEE, TTE, Stress ECHO)

Employment

Stern Cardiovascular Foundation, Germantown, TN
1/16/06 to Present

Cardiology Specialists of Memphis, Memphis, TN
8/04 to 12/05

HOSPITAL AFFILIATIONS:

Baptist Memorial Hospital - Memphis
6019 Walnut Grove Road
Memphis, Tennessee 38120
Cardiologist – Active

Baptist Memorial Hospital – Desoto
7601 Southcrest parkway
Southaven, Mississippi 38671
Cardiologist – Active

Baptist Memorial Hospital - Collierville
1500 W. Poplar Ave.
Collierville, Tennessee 38017
Cardiologist – Active

Baptist Memorial Hospital – Women’s
6225 Humphreys Blvd
Memphis, Tennessee 38120
Cardiologist – Active

Methodist Hospital
1265 Union Avenue
Memphis, Tennessee 38104
Cardiologist – Courtesy

Saint Francis Hospital
5959 Park Avenue
Memphis, Tennessee 38119
Cardiologist – Consulting

Certification and Licensure

2000	Board certified, American Board of Internal Medicine
2001	Pennsylvania Medical License
2002	Tennessee Medical License (current)
2004	Mississippi Medical License (current)
2004	Board certified, ABIM-Cardiovascular Specialties
2006	Board certified, ASNC – Nuclear Cardiology
2014	Recertification, ABIM – Cardiovascular Specialties

Professional Memberships

1994-1998	American Medical Association, Student Member
1998-present	Associate, American College of Physicians
2001-present	Affiliate, American College of Cardiology
2005-present	Member, American Society of Nuclear Cardiology
2004-present	Member, Memphis Medical Society
	American Heart Association Member
	American Society of Echocardiography, Member
	Circle of Red, Go Red for Women AHA Board
	Fellow, American College of Cardiology

Honors and Awards

1990-1994	Beneficial-Hodson Scholar, Johns Hopkins University
1992	Congressional Intern, Washington, D.C.
1992-1994	Dean's List, Johns Hopkins University
1994	Graduated with Honors, Johns Hopkins University
1995	NIH Student Research Fellowship

Campus Activities

1992-1994	Arts and Sciences Curriculum Committee
1994-1998	Hall-Tackett Society Editor, UT College of Medicine
1997-1998	Clinical Skills Student Instructor
2000-2004	Physical Diagnosis Instructor
2003-2004	House Staff Member, Medical Executive Committee

Research Activities

1995-1996	Laboratory project involving nitric oxide synthase and its inhibitors in gram-positive sepsis. University of Tennessee College of Medicine. Under preceptorship of Dr. Keith English, Department of Pediatric Infectious Diseases.
1998	Project involving QT prolongation and Cisapride, involving baseline and post-treatment SAEKG tracings. University of Tennessee College of Medicine. Under preceptorship of Dr. Judith Soberman, Department of Cardiology.
1999	Ongoing clinical project examining relationship between heart failure and sleep apnea. University of Maryland Medical System. Under preceptorship of Dr. Michael Fisher, Division of Cardiology.

Research Activities Continued

2000	Extended precordial leads do not increase the sensitivity of stress testing. University of Maryland Medical System. Submitted for publication. Under preceptorship of Dr. R. Michael Benitez, Division of Cardiology.
2001-2004	BARI-2D Sub-Investigator, UMMS site
2003-2004	Myocardial Sarcoidosis and PET-CT Imaging for Detection of Subclinical Involvement. Under preceptorship of Dr. V. Dilsizian, Division of Cardiology/Nuclear Medicine. Pending IRB approval.
2003-2004	PET/CT angiography in evaluation of patients with low HDL. Under preceptorship of Dr. Michael Miller, Division of Cardiology and Dr. Vasken Dilsizian, Division of Cardiology/Nuclear Medicine. Pending IRB approval.
2003-2004	VALOR subinvestigator, UMMS site.

Presentations

January 1996	Tyrosine Kinase Inhibitors Block LTA-triggered production of inducible nitric oxide synthase by murine macrophages. Annual meeting, Southern Society for Clinical Research.
November 2000	Obstructive Sleep Apnea: An Overview. Senior presentation. Department of Internal Medicine, Senior Review Conference.
September 2001	Aortic Stenosis: Modalities of Severity Assessment
January 2002	LV Aneurysm: Identification and Management
January 2002	Oral Contraceptives and the Risk of MI
January 2002	Critical Care Cardiology
March 2002	Right Atrial Masses
May 2002	IONA: Nicorandil and Angina
May 2002	Chest pain and ST elevation: Rapidly Resolving Myocarditis

Presentations Continued

June 2002	Valvular Surgery in the Octagenarian
September 2002	Patent Foramen Ovale: Review and New Directions
October 2002	The Metabolic Syndrome and Calcium Scoring
November 2002	The AFFIRM trial: Rate vs. Rhythm in AF management
January 2003	Exercise-Induced VT in the setting of pre-operative evaluation
March 2003	Hyperlipidemia in the Nephrotic Syndrome
March 2003	ACC Review
May 2003	The REPLACE-2 trial: Role of Bivalirudin in the Cath Lab
June 2003	Exercise Stress Testing for the Internist
October 2003	The WIZARD Trial: C. Pneumonia and CAD
December 2003	Hypertrophic Cardiomyopathy: High Risk Indicators
February 2004	TEE Overview
March 2004	ACC Review
June 2003-June 2004	Weekly Nuclear Medicine Case Presentations
June 2003-June 2004	Monthly Cath Lab Case Presentations
